**Part III - DETAILED ACTION**

***Examiner's Statement Of Reason For Allowance***

1. The following is an examiner's statement of reasons for allowance:

Claim 7, is allowable because the prior art does not anticipate or suggest all the combination of the all the elements for an electrical quantity indicator for a battery in electromotive vehicle.

Regarding claim 7, the prior art of records do not teach all the combined design elements including the feedback circuit is actuated by the power consumption of the motor to close the switch to connect the feedback circuit to the meter, and the non-reset measuring meter is responsive only to a reduction in measured voltage and not to any increase in measured voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
